

YENZIWE BIYELA

ICT FINAL YEAR STUDENT

OBJECTIVES

I am actively seeking a position that fosters continuous learning and professional growth, while making substantial contributions to the organization's progress. I am willing to leverage my knowledge and skills to contribute towards innovative projects and gain experience in the technology industry while pursuing my ICT Diploma. As an aspiring ICT professional, I aim to use the knowledge I have so far in communications network technologies to contribute to team projects and solve real-world technical challenges.

SKILLS

- Communication
- Network Configuration
- Network Troubleshooting
- Implementing Cybersecurity Measures
- Designing with Packet Tracer
- Linux Operating System Configuration
- IP Address Configuration
